5 applying because the person will no longer be receiving payments  
6 from the income stream (see paragraphs (1)(a) and (d)).

7 Note 2: For the deduction of a deductible amount from amounts payable under  
8 certain defined benefit income streams, see sections 1099A and  
9 1099D of this Act and sections 46V and 46Y of the Veterans'  
10 Entitlements Act.

11 (2) Despite the amendment of this Act by Part 2 of Schedule 8 to the  
12 *Tax Laws Amendment (Simplified Superannuation) Act 2007*, for  
13 the purposes of working out the amount of any income support  
14 payment (other than a service pension or income support  
15 supplement) received by the person on or after the trigger day in  
16 respect of the remaining part of the period mentioned in  
17 paragraph (1)(b), the **deductible amount**, in relation to the income  
18 stream for a year, is the greater of the following amounts:

- 19 (a) the deductible amount mentioned in paragraph (1)(c);  
20 (b) the sum of the amounts that are the tax free components  
21 (worked out under subsections 307-125(4) to (7) of the  
22 *Income Tax (Transitional Provisions) Act 1997*) of the  
23 payments received from the income stream during the year.

24 (3) However, this clause stops applying to an income stream  
25 immediately after the time (if any) that the deductible amount in  
26 relation to the income stream is, under subclause (2), the amount  
27 mentioned in paragraph (2)(b).

28 (4) For the purposes of this clause, without limiting paragraph (1)(b),  
29 if the form of a person's income support payment mentioned in  
30 paragraph (1)(b) changes during a period, the continuity of the  
31 period is not broken by the change.

32 Example: The form of a person's income support payment may change from one  
33 kind of payment (for instance, a service pension under the Veterans'  
34 Entitlements Act) to another (for instance, a social security pension  
35 under this Act).

36 (5) In this clause:

37 **trigger day**, for a person, means:

- 38 (a) if the person is under 60 years at the end of 30 June 2007—  
39 the day the person turns 60; or
-

1 (b) if the person is 60 years or over at the end of 30 June 2007—  
2 1 July 2007.

3 ***Veterans' Entitlements Act 1986***

4 **14 Subsection 5J(1) (paragraph (d) of the definition of *income***  
5 ***stream*)**

6 Repeal the paragraph, substitute:

7 (d) an income stream provided as life insurance business by a  
8 life company registered under the *Life Insurance Act 1995*; or

9 **15 Subsection 5J(1) (paragraph (e) of the definition of *income***  
10 ***stream*)**

11 Repeal the paragraph.

12 **16 Paragraph 5J(1E)(b)**

13 Before “the income stream”, insert “except in the case of an income  
14 stream arising under a superannuation fund established before  
15 20 September 1998—”.

16 **17 After paragraph 5J(1E)(b)**

17 Insert:

18 (ba) in the case of an income stream arising under a  
19 superannuation fund established before 20 September 1998—  
20 the income stream is provided under rules that meet the  
21 standards determined, by legislative instrument, by the  
22 Minister; and

23 **18 Paragraph 5J(1E)(c)**

24 Before “the income stream”, insert “in any case—”.

25 **19 At the end of subsection 5JB(1A)**

26 Add:

27 ; and (d) in the case of an income stream acquired before  
28 20 September 2004 that is provided to a primary  
29 beneficiary's reversionary beneficiary—the remaining term  
30 (in years) of the income stream is equal to the life expectancy  
31 (in years) of the primary beneficiary's reversionary  
32 beneficiary.

1 **20 Subparagraph 46YA(1)(b)(i)**

2 After “*Superannuation Industry (Supervision) Regulations 1994*”, insert  
3 “, or is any other pension determined, by legislative instrument, by the  
4 Minister”.

5 **21 Subparagraph 46YA(1)(b)(ii)**

6 Omit “of subregulation 1.05(4) of the *Superannuation Industry*  
7 *(Supervision) Regulations 1994*”, substitute “determined, by legislative  
8 instrument, by the Minister”.

9 **22 Subsection 46YA(3) (formula)**

10 Repeal the formula, substitute:

11 
$$\left( \frac{\text{Minimum amount}}{\text{Days in payment period}} - \frac{\text{Purchase price}}{\text{Relevant number} \times 365} \right) \times 365$$

12 Note: The heading to subsection 46YA(3) is altered by omitting “*limit*” and substituting  
13 “*amount*”.

14 **23 Subsection 46YA(3)**

15 Insert:

16 *minimum amount* means the minimum amount calculated in  
17 accordance with the method determined, by legislative instrument,  
18 by the Minister for the purposes of this definition.

19 **24 Subsection 46YA(3) (definition of *minimum limit*)**

20 Repeal the definition.

21 **25 After section 52BB**

22 Insert:

23 **52BC Value of superannuation reserves for superannuation funds of**  
24 **4 members or less**

- 25 (1) This section applies in calculating the value of a person’s  
26 investment in a superannuation fund if:  
27 (a) the fund has 4 or fewer members; and

1 (b) the fund has reserves (within the meaning of section 115 of  
2 the *Superannuation Industry (Supervision) Act 1993*).

3 Note: The value of a person's investment in a superannuation fund is only  
4 included in the value of the person's assets after the person reaches  
5 pension age or starts to receive a pension or annuity out of the fund  
6 (see paragraph 52(1)(f)).

7 (2) Despite paragraph 52(1)(g), the value of the person's investment in  
8 the superannuation fund includes the following amount:

$$9 \frac{\text{Person's interest in the fund}}{\text{Total interest in the fund}} \times \text{Value of the fund's reserves}$$

10 (3) However, if it is not possible to work out the person's interest in  
11 the superannuation fund, the value of the person's investment in  
12 the fund includes the following amount:

$$13 \frac{\text{Value of the fund's reserves}}{\text{Number of members in the fund}}$$

14 **26 At the end of Part 1 of Schedule 5**

15 Add:

16 **11B Transitional definition of *deductible amount***  
17 **(commencing 1 July 2007)**

- 18 (1) This clause applies if:
- 19 (a) a person has received at least one payment from a defined  
20 benefit income stream before 1 July 2007, and is still  
21 receiving payments from the income stream; and
  - 22 (b) the person receives income support payment in respect of a  
23 continuous period starting before, and ending on or after, the  
24 person's trigger day (see subclause (5)); and
  - 25 (c) the amount of the income support payment received before  
26 the person's trigger day was affected by the deduction of a  
27 deductible amount (within the meaning of this Act or the  
28 Social Security Act, as the case requires, apart from this  
29 clause) from the amount of the payments payable to the  
30 person for a year under the income stream; and

1 (d) if the person's trigger day is after 1 July 2007—the income  
2 stream has not been partially commuted on or after 1 July  
3 2007 and before the person's trigger day.

4 Note 1: If the income stream is wholly commuted, this clause will stop  
5 applying because the person will no longer be receiving payments  
6 from the income stream (see paragraphs (1)(a) and (d)).

7 Note 2: For the deduction of a deductible amount from amounts payable under  
8 certain defined benefit income streams, see sections 46V and 46Y of  
9 this Act and sections 1099A and 1099D of the Social Security Act.

10 (2) Despite the amendment of this Act by Part 2 of Schedule 9 to the  
11 *Tax Laws Amendment (Simplified Superannuation) Act 2007*, for  
12 the purposes of working out the amount of any service pension or  
13 income support supplement received by the person on or after the  
14 trigger day in respect of the remaining part of the period mentioned  
15 in paragraph (1)(b), the **deductible amount**, in relation to the  
16 income stream for a year, is the greater of the following amounts:

17 (a) the deductible amount mentioned in paragraph (1)(c);

18 (b) the sum of the amounts that are the tax free components  
19 (worked out under subsections 307-125(4) to (7) of the  
20 *Income Tax (Transitional Provisions) Act 1997*) of the  
21 payments received from the income stream during the year.

22 Note: Service pension and income support supplement are **income support**  
23 **payments** within the meaning of the Social Security Act (see  
24 subsection 23(1) of that Act).

25 (3) However, this clause stops applying to an income stream  
26 immediately after the time (if any) that the deductible amount in  
27 relation to the income stream is, under subclause (2), the amount  
28 mentioned in paragraph (2)(b).

29 (4) For the purposes of this clause, without limiting paragraph (1)(b),  
30 if the form of a person's income support payment mentioned in  
31 paragraph (1)(b) changes during a period, the continuity of the  
32 period is not broken by the change.

33 Example: The form of a person's income support payment may change from one  
34 kind of payment (for instance, a social security pension under the  
35 Social Security Act) to another (for instance, a service pension under  
36 this Act).

37 (5) In this clause:

38 **income support payment** has the same meaning as in the Social  
39 Security Act.
