## Schedule 1—Effective life provisions

### *Income Tax Assessment Act 1997*

#### **1 Subsection 40-95(7) (table items 11, 12 and 13)**

Repeal the items.

#### **2 Subsection 40-95(8)**

After “\*IRU”, insert “or a \*mining, quarrying or prospecting right”.

#### **3 At the end of section 40-95**

Add:

*Exception: mining, quarrying or prospecting rights*

- (10) The *effective life* of a \*mining, quarrying or prospecting right is the period you work out yourself by estimating the period (in years, including fractions of years) set out in column 3 of this table:

<b>Item</b>	<b>For this asset:</b>	<b>Estimate the period until the end of:</b>
1	A *mining, quarrying or prospecting right relating to *mining operations (except obtaining *petroleum or quarry materials)	The life of the mine or proposed mine to which the right relates or, if there is more than one, the life of the mine that has the longest estimated life
2	A *mining, quarrying or prospecting right relating to *mining operations to obtain *petroleum	The life of the petroleum field or proposed petroleum field to which the right relates
3	A *mining, quarrying or prospecting right relating to *mining operations to obtain quarry materials	The life of the quarry or proposed quarry to which the right relates or, if there is more than one, the life of the quarry that has the longest estimated life

- (11) You work out the period in subsection (10):

- 1 (a) as from the \*start time of the \*mining, quarrying or  
 2 prospecting right; and  
 3 (b) by reference only to the period of time over which the  
 4 reserves, reasonably estimated using an appropriate accepted  
 5 industry practice, are expected to be extracted from the mine,  
 6 petroleum field or quarry.

7 **4 Subsection 40-105(4)**

8 Repeal the subsection, substitute:

- 9 (4) This section does not apply to the following intangible  
 10 \*depreciating assets:  
 11 (a) assets to which an item in the table in subsection 40-95(7)  
 12 applies;  
 13 (b) \*mining, quarrying or prospecting rights.

14 **5 After subsection 40-110(3)**

15 Insert:

- 16 (3A) Subsections (1), (2) and (3) do not apply to a \*depreciating asset  
 17 that is a \*mining, quarrying or prospecting right.  
 18 (3B) You may choose to recalculate the \*effective life of a \*mining,  
 19 quarrying or prospecting right from a later income year if the  
 20 effective life you have been using is no longer accurate because of  
 21 changed circumstances relating to an existing or proposed mine,  
 22 petroleum field or quarry to which that right relates.

23 **6 Subsection 40-110(4)**

24 Repeal the subsection, substitute:

- 25 (4) A recalculation under this section must be done using:  
 26 (a) if paragraph (b) does not apply—section 40-105 (about  
 27 self-assessing effective life); or  
 28 (b) if the \*depreciating asset is a \*mining, quarrying or  
 29 prospecting right—subsections 40-95(10) and (11).

30 **7 Application**

31 The amendments made by this Schedule apply to assessments for the  
 32 income year in which 1 July 2001 occurred and later income years.

1  
2 **Schedule 2—Taxation of boating activities**

3 **Part 1—Main amendments**

4 *Income Tax Assessment Act 1997*

5 **1 After section 26-45**

6 Insert:

7 **26-47 Non-business boating activities**

8 *Object*

- 9 (1) The object of this section is to improve the integrity of the taxation  
10 system by preventing deductions from boating activities that are  
11 not carried on as a \*business being offset against other assessable  
12 income.

13 *Rule*

- 14 (2) This Act applies to you as if so much of the amounts relating to  
15 using or \*holding boats that you could otherwise deduct for an  
16 income year as exceeds your assessable income from using or  
17 holding boats for that year:  
18 (a) were not deductible for that income year; and  
19 (b) were an amount (a *quarantined amount*) relating to using or  
20 holding boats that you can deduct for the next income year.

21 Note: A quarantined amount may be reduced under subsection (5) (for boat  
22 capital gains), reduced under subsection (7) (where you deduct part of  
23 a quarantined amount under subsection (6) for boat business profits),  
24 reduced under subsection (8) (about exempt income) or affected by  
25 subsection (10) (about bankruptcy).

26 Example: Ian does not use his boat in a business. In Year 1, Ian would be able to  
27 claim \$100,000 in deductions for the boat (but for this subsection),  
28 including interest, depreciation and running costs. He earns only  
29 \$40,000 of income from the boat. He can only deduct \$40,000. He  
30 carries the remaining \$60,000 forward to Year 2 (the quarantined  
31 amount).

32 In Year 2, Ian has \$95,000 of expenses and \$30,000 of income for the  
33 boat. He can deduct \$30,000. The quarantined amount is now  
34 \$125,000: the quarantined amount from Year 1 plus the excess of  
35 expenses over income from Year 2.

1 In Year 3, Ian has \$60,000 of expenses and \$150,000 of income from  
2 the boat. The expenses from Year 3 plus the quarantined amount is  
3 \$185,000. Therefore, Ian claims a deduction of \$150,000 and carries  
4 forward \$35,000 to Year 4.

5 *Exception: business use*

- 6 (3) The rule in subsection (2) does not apply to amounts that are  
7 attributable to one or more of the following:  
8 (a) \*holding a boat as your \*trading stock;  
9 (b) using a boat (or holding it) mainly for letting it on hire in the  
10 ordinary course of a \*business that you \*carry on;  
11 (c) using a boat (or holding it) mainly for transporting the public  
12 or goods for payment in the ordinary course of a business that  
13 you carry on;  
14 (d) using a boat for a purpose that is essential to the efficient  
15 conduct of a business that you carry on.

16 Note: Even if this exception applies to you, you may still have to quarantine  
17 losses under Division 35 (deferral of losses from non-commercial  
18 business activities).

19 *Exception: fringe benefits*

- 20 (4) The rule in subsection (2) does not apply to so much of an amount  
21 you incur in \*providing a \*fringe benefit.

22 *Modification if you have boat capital gains*

- 23 (5) You reduce a quarantined amount you have for an income year by  
24 so much of that amount as is applied under section 118-80 to  
25 reduce a \*capital gain you have for the year in relation to a boat.  
26 You make this reduction before you deduct an amount under  
27 subsection (6).

28 *Deduction if you have boat business profits*

- 29 (6) You can deduct all or part of your remaining quarantined amount  
30 for an income year if your assessable income for the year from  
31 activities of a kind referred to in subsection (3) exceeds your  
32 deductions for the year relating to those activities. The amount you  
33 can deduct is the lesser of that excess and that remaining  
34 quarantined amount.

**Schedule 2** Taxation of boating activities  
**Part 1** Main amendments

---

1 (7) You reduce your quarantined amount for the year by the amount  
2 you deduct. You make this reduction before a reduction under  
3 subsection (8).

4 *Modification if you have exempt income*

5 (8) You reduce any remaining quarantined amount you have for an  
6 income year by so much of your \*net exempt income as is not  
7 applied for that income year under section 35-15 (about  
8 non-commercial business activities) or section 36-10 or 36-15  
9 (about tax losses).

10 *Modification if you become bankrupt*

11 (9) The modification in subsection (10) has effect if:

12 (a) in an income year (the **current year**) you become bankrupt or  
13 are released from a debt by the operation of an Act relating to  
14 bankruptcy; or

15 (b) you became bankrupt before the current year and:

16 (i) the bankruptcy is annulled in the current year under  
17 section 74 of the *Bankruptcy Act 1966* because your  
18 creditors have accepted a proposal for a composition or  
19 scheme of arrangement; and

20 (ii) under the composition or scheme of arrangement, you  
21 have been, will be or may be released from some or all  
22 of the debts from which you would have been released  
23 if you had instead been discharged from the bankruptcy.

24 (10) This Act applies to you as if any amount that:

25 (a) is a quarantined amount for you for the current year or was a  
26 quarantined amount for you for an earlier year; and

27 (b) has not been applied under section 118-80 and that you have  
28 not yet deducted;

29 were not an amount relating to using or holding boats that you can  
30 deduct for the current year or a later year.

31 **2 At the end of section 110-38**

32 Add:

33 (5) Expenditure does *not* form part of any element of the **cost base** to  
34 the extent that section 26-47 prevents it being deducted.

1 Note: Section 26-47 denies deductions for the excess of boat expenditure  
2 over boat income.

3 **3 After subsection 110-55(9D)**

4 Insert:

5 (9E) Expenditure does *not* form part of the **reduced cost base** to the  
6 extent that section 26-47 prevents it being deducted.

7 Note: Section 26-47 denies deductions for the excess of boat expenditure  
8 over boat income.

9 **4 At the end of Subdivision 118-A**

10 Add:

11 **Boat capital gains**

12 **118-80 Reduction of boat capital gain**

13 A \*capital gain you make from a \*CGT event happening in relation  
14 to a boat for an income year is reduced by an amount that is a  
15 quarantined amount for you for the income year under subsection  
16 26-47(2).

17 Note: Section 26-47 denies deductions for the excess of boat expenditure  
18 over boat income.

30 Note: A company that fails to meet the requirements of this subsection can  
31 still be eligible in certain circumstances: see subsection (13).

32 *Predominant activity*

33 (4) The unit trust must satisfy at least 2 of these requirements:

34 (a) more than 75% of the unit trust's assets (determined by  
35 value) must be used primarily in activities that are not  
36 ineligible activities mentioned in subsection (14);

**Schedule 8** Venture capital

**Part 1** Venture capital limited partnerships

---

1 (b) more than 75% of the employees of the trustee of the unit  
2 trust must be engaged primarily in activities that are not  
3 ineligible activities mentioned in subsection (14);

4 (c) more than 75% of the unit trust's total assessable income,  
5 \*exempt income and \*non-assessable non-exempt income  
6 must come from activities that are not ineligible activities  
7 mentioned in subsection (14).

8 Note 1: This requirement is ongoing. It is not limited to the circumstances at  
9 the time the investment was made.

10 Note 2: See subsection (11) for the value of assets.

11 Note 3: A unit trust that fails to meet at least 2 of the requirements can still be  
12 eligible if the Venture Capital Registration Board determines that the  
13 unit trust's primary activity is not ineligible and the failure is  
14 temporary: see subsection (15).

15 *Investment in other entities etc.*

16 (5) The unit trust must not:

17 (a) invest, in another entity, any part of the amount invested,  
18 unless the other entity:

19 (i) is \*connected with the unit trust (except another entity  
20 that is an \*associate of the unit trust because of an  
21 investment made in the entity by the partnership); and

22 (ii) meets the requirements of subsections (4) to (8); or

23 (b) in the capacity of a trustee, use any part of the amount  
24 invested.

25 However, this subsection does not prevent the unit trust from  
26 depositing money with an \*ADI, or with a body authorised by or  
27 under a law of a foreign country to carry on banking business in  
28 that country.

29 Note: This requirement is ongoing. It is not limited to the circumstances at  
30 the time the investment was made.

31 *Registered auditor*

32 (6) The unit trust must, at the end of, and at all times after the end of,  
33 the income year in which the investment is made, have as its  
34 auditor:

35 (a) a person registered as an auditor under a law in force in a  
36 State or a Territory; or

- 1 (b) if the unit trust is no longer an Australian resident—a person  
2 registered as an auditor under a law in force in the country of  
3 which the unit trust is a resident.

4 Note: This requirement is ongoing.

5 *Permitted entity value*

- 6 (7) The unit trust must not, immediately before the investment is  
7 made, exceed the \*permitted entity value.

8 *Listing*

- 9 (8) The unit trust must be a unit trust whose units:  
10 (a) are, at the time the investment is made, not listed for  
11 quotation in the official list of a stock exchange in Australia  
12 or a foreign country; or  
13 (b) are so listed at that time, but cease to be so listed at any time  
14 during the 12 months after the investment is made.

15 However, the unit trust is taken to meet the requirements of this  
16 subsection in relation to any investment made by an \*ESVCLP  
17 (whether or not units in the unit trust are so listed).

18 Note: The additional requirements for ESVCLPs deal with listing in relation  
19 to initial investments by ESVCLPs in unit trusts: see paragraph  
20 118-428(1)(a).

21 *Scrip for scrip investments*

- 22 (9) However, a unit trust is taken to meet the requirements of  
23 subsections (3) to (8) if:  
24 (a) the investment is an acquisition of units in that unit trust in  
25 exchange for units in another unit trust; and  
26 (b) at the time that the \*VCLP, \*ESVCLP, \*AFOF or \*eligible  
27 venture capital investor in question acquired the units being  
28 exchanged, the other unit trust meets the requirements of  
29 subsections (3) to (8), but not only because this subsection  
30 applies to the other unit trust; and  
31 (c) the units in the other unit trust that are being exchanged are  
32 all of the units in the other unit trust that the entity making  
33 the investment owned at the time of the exchange.

1                                    *Debt interests*

- 2                    (10) To avoid doubt, a \*debt interest cannot be an \*eligible venture  
3                    capital investment.

4                                    *The value of an asset or investment*

- 5                    (11) The value of an asset or investment of an entity at a particular time  
6                    for the purposes of this section is the value of the asset or  
7                    investment as shown in a statement, prepared in accordance with  
8                    the \*accounting standards and audited by the entity's auditor,  
9                    showing that value as at a time no longer than 12 months before  
10                   that time.

11                                  *Application to groups*

- 12                    (12) If a group of entities:  
13                                  (a) is treated as a \*consolidated group because of a choice that a  
14                                  unit trust has made under section 713-130; or  
15                                  (b) would be treated as a consolidated group because of such a  
16                                  choice:  
17    (i) if a unit trust were to make such a choice; or  
18    (ii) if a unit trust that is not a \*corporate unit trust or a  
19    \*public trading trust were such a trust and were to make  
20    such a choice;

21                    this section applies in relation to the entities as if:

- 22                                  (c) the unit trust carried on, as the \*head company of the  
23                                  consolidated group or consolidatable group, all of the  
24                                  activities that are carried on by the other members of the  
25                                  group; and  
26                                  (d) the assets, employees and income of the other members of  
27                                  the group were assets, employees and income of the unit  
28                                  trust; and  
29                                  (e) each of the other members of the group were parts of the unit  
30                                  trust rather than separate entities.

31                                  *Exception to requirements relating to location within Australia*

- 32                    (13) A unit trust is taken to meet the requirements of subsection (3) in  
33                    relation to an investment made by an entity if the sum of:  
34                                  (a) the value of the investment at the time the entity makes it;  
35                                  and
-

1 (b) the total value of all the other investments that the entity  
2 owns at that time that do not, or apart from this subsection  
3 would not, meet those requirements;  
4 does not exceed 20% of the partnership's \*committed capital.

5 Note: See subsection (11) for the value of investments.

6 *Ineligible activities*

7 (14) These activities are ineligible activities:

8 (a) property development or land ownership;

9 (b) finance, to the extent that it is any of the following:

10 (i) banking;

11 (ii) providing capital to others;

12 (iii) leasing;

13 (iv) factoring;

14 (v) securitisation;

15 (c) insurance;

16 (d) construction (including extension, improvement or  
17 up-grading) or acquisition of infrastructure facilities (within  
18 the meaning of section 93L of the *Development Allowance*  
19 *Authority Act 1992*) or related facilities (within the meaning  
20 of section 93M of that Act), or both;

21 (e) making investments, whether made directly or indirectly, that  
22 are directed to deriving income in the nature of interest, rents,  
23 dividends, royalties or lease payments.

24 For the purposes of this subsection, activities that are ancillary or  
25 incidental to a particular activity are taken to form part of that  
26 activity.

27 *Venture Capital Registration Board discretion*

28 (15) A unit trust is taken to meet the requirements of subsection (4)  
29 even if it fails to satisfy at least 2 of the requirements in that  
30 subsection if the \*Venture Capital Registration Board determines  
31 under section 25-15 of the *Venture Capital Act 2002* that:

32 (a) the unit trust's primary activity is not an ineligible activity  
33 mentioned in subsection (14); and

34 (b) the failure is temporary and did not exist at the time the  
35 investment referred to in subsection (1) was made and, if it  
36 has been disposed of, when it was disposed of.

1                                    *Convertible notes*

2                    (16) To the extent that an investment by an entity consists of the  
3                                    acquisition of a unit in a unit trust by converting a \*convertible  
4                                    note issued by or on behalf of the trustee of the unit trust, the  
5                                    investment is, for the purpose of determining whether the unit trust  
6                                    meets the requirements of subsections (3) to (8), taken to have been  
7                                    made at the time when the entity last acquired the convertible note.

8                    (17) Subsection (16) applies whether or not the acquisition of the  
9                                    \*convertible note was an \*eligible venture capital investment.

15 *General*

- 16 (1) All of your share in a \*capital gain or a \*capital loss from a \*CGT  
17 event is disregarded if:
- 18 (a) you are a partner in a \*limited partnership; and
  - 19 (b) the CGT event relates to an investment that the partnership  
20 made that:
    - 21 (i) is an \*eligible venture capital investment; and
    - 22 (ii) meets all of the \*additional investment requirements for  
23 ESVCLPs for the investment; and
  - 24 (c) when the partnership made the investment, the partnership  
25 was an \*early stage venture capital limited partnership that  
26 was \*unconditionally registered; and
  - 27 (d) at the time of the CGT event, the partnership:
    - 28 (i) owned the investment; and
    - 29 (ii) had owned the investment for at least 12 months; and
    - 30 (iii) was an early stage venture capital limited partnership  
31 that was unconditionally registered; and

- 1 (iv) in the case of a capital gain—met all of the \*registration  
2 requirements of an ESVCLP that are not \*investment  
3 registration requirements, and met the \*divestiture  
4 registration requirement.

5 Note: The registration requirements of an ESVCLP are set out in section 9-3  
6 of the *Venture Capital Act 2002*. It is important to understand that this  
7 is a separate requirement from registration under Part 2 of that Act  
8 (which effectively determines whether an entity is an ESVCLP).

9 It is technically possible to be registered under Part 2 of that Act  
10 without meeting the registration requirements of an ESVCLP, but you  
11 might still not be entitled to exemption under this section.

12 *Residency requirements for general partners*

- 13 (2) However, if you are a \*general partner in the partnership,  
14 subsection (1) does not apply to you unless you are:  
15 (a) an Australian resident; or  
16 (b) a resident of a foreign country in respect of which a double  
17 tax agreement (as defined in Part X of the *Income Tax*  
18 *Assessment Act 1936*) is in force that is an agreement of a  
19 kind referred to in subparagraph (b)(i), (ia), (ii), (iii), (iv) or  
20 (v) of that definition.
- 21 (3) For the purposes of this section, the place of residence of a \*general  
22 partner in a \*limited partnership:  
23 (a) that is a company or limited partnership; and  
24 (b) that is not an Australian resident;  
25 is the place in which the general partner has its central  
26 management and control.

27 *Meaning of early stage venture capital limited partnership*

- 28 (4) A \*limited partnership is an ***early stage venture capital limited***  
29 ***partnership*** at a particular time if, at that time, the partnership's  
30 registration as an early stage venture capital limited partnership  
31 under Part 2 of the *Venture Capital Act 2002* is, or is taken to have  
32 been, in force.

33 Note 1: For when the registration is, or is taken to have been, in force, see  
34 section 13-10 of the *Venture Capital Act 2002*.

35 Note 2: In this Act and the *Venture Capital Act 2002*, the term “early stage  
36 venture capital limited partnership” is usually abbreviated to  
37 “ESVCLP”.

6                    relation to a particular investment that the partnership holds, if:  
7                    (a) at the start of the income year, the partnership fails to meet  
8                    the divestiture registration requirement in relation to that  
9                    investment; and  
10                   (b) the partnership meets the divestiture registration requirement  
11                   in relation to that investment:  
12                   (i) within the period of 6 months after the start of that  
13                   income year; or  
14                   (ii) if that period is extended under subsection 17-3(3) of  
15                   the *Venture Capital Act 2002*—within that period as so  
16                   extended.

17                                    *Effect of converting convertible notes etc.*

19                   \*convertible note, or a convertible preference share, issued by the  
20                   company is treated, for the purposes of subparagraph (1)(d)(ii), as

22                   convertible note or convertible preference share.
- 23                   (7) A partnership that acquired a unit in a unit trust by converting a  
24                   \*convertible note issued by the trustee of the unit trust is treated,

26                   unit from the time when it last acquired the convertible note.
- 27                   (8) Subsection (6) or (7) applies whether or not the acquisition of the  
28                   \*convertible note, or convertible preference share, was an \*eligible  
29                   venture capital investment.
- 30                   (9) A partnership that converts a \*convertible note into a share or a  
31                   unit is treated, for the purposes of subparagraph (1)(d)(ii), as  
32                   continuing to own the convertible note until the partnership no  
33                   longer owns the share or unit.
