(a) a proposal to take an action is referred to the Minister under Division 1 of Part 7 of the *Environment Protection and Biodiversity Conservation Act 1999*; and

(b) the action, or a component of the action, involves doing a thing that would be an offence against this Act if done without a permission under the regulations;

the referral is taken to be an application made in accordance with the regulations for that permission.

Note: A subsequent decision under the *Environment Protection and Biodiversity Conservation Act 1999* that the action is not a controlled

1 action does not affect an application that is taken to have been made
2 because of subsection (1).

3 (2) The Authority, or an agency that has responsibility under a zoning
4 plan for granting permissions, must not grant a person permission
5 under the regulations to do a thing if:

6 (a) the thing is, or is part of, an action that is a controlled action
7 for the purposes of the *Environment Protection and*
8 *Biodiversity Conservation Act 1999*; and

9 (b) the Minister has not decided under Part 9 of the *Environment*
10 *Protection and Biodiversity Conservation Act 1999* to

2 **Part 3—Transitional, application and saving**
3 **provisions**

4 **42 Application of amendments**

- 5 (1) The amendments made by this Schedule do not apply in relation to an
6 action that is an exempt action under this item.
- 7 (2) An action is an *exempt action* if, immediately before the amendments
8 commenced, an approval to take the action was in operation under
9 Part 9 of the *Environment Protection and Biodiversity Conservation Act*
10 *1999*.
- 11 (3) An action is an *exempt action* if, immediately before the amendments
12 commenced:
- 13 (a) a person was taking the action; and

15 *Conservation Act 1999* let the person take the action without
16 an approval under Part 9 of that Act.
- 17 (4) An action is an *exempt action* if, immediately before the amendments
18 commenced:
- 19 (a) there was in force a decision of the Minister under Division 2
20 of Part 7 of the *Environment Protection and Biodiversity*

22 action; and
23 (b) the action was not an action the taking of which would be an
24 offence under the *Great Barrier Reef Marine Park Act 1975*
25 if taken without a permission having been granted under
26 regulations made under that Act.
- 27 (5) An action that was the subject of an active referral (see item 43) at the
28 time the amendments commenced is an *exempt action*:
- 29 (a) from the time the amendments commence until the time the
30 action ceases to be the subject of an active referral; and
31 (b) if the action ceases to be the subject of an active referral
32 because an approval of the taking of the action starts to
33 operate under Part 9 of the *Environment Protection and*
34 *Biodiversity Conservation Act 1999* as a result of the
35 referral—for so long as the approval is in operation.
-

- 1 (6) An action that was the subject of an active application (see item 44) at
2 the time the amendments commenced is an *exempt action*:
- 3 (a) from the time the amendments commenced until the time the
4 action ceases to be the subject of an active application; and
- 5 (b) if the action ceases to be the subject of an active application

7 accordance with regulations made under the *Great Barrier*
8 *Reef Marine Park Act 1975* as a result of the application—for
9 so long as the permission has effect.

10 **43 Actions that are the subject of an active referral**

22 the referral; and
- 23 (e) provisions of Chapter 4 of that Act are not stopped by
24 section 155 of that Act from applying because of the referral
25 in relation to the action (or a larger action of which the action
26 is a component); and
- 27 (f) the Minister has not decided that the action (or a larger action
28 of which the action is a component) is not a controlled action
29 for the purposes of that Act; and
- 30 (g) no decision is in operation under Part 9 of that Act approving
31 or not approving the taking of the action (or a larger action of
32 which the action is a component).

33 **44 Actions that are the subject of an active application**

- 34 For the purposes of subitem 42(6), an action is, at any particular time,

2 to save life at sea; or
3 (b) that compliance with the direction was not possible; or
4 (c) if the direction requires a thing to be done before a particular
5 time—that compliance with the direction was not possible

10 (2) In considering whether to grant a remediation order, the Federal
11 Court must have regard to the following:

12 (a) the nature and extent of the conduct referred to in
13 subsection (1);

30 in general terms (for example, requiring the person to take
31 whatever action is necessary to prevent, repair or mitigate the
32 harm) or in particular terms.

33 (4) If the Federal Court makes a remediation order, it may also make
34 an order requiring the person to provide security for the due taking
35 of the required action.

1 **61AHB Variation and discharge of remediation order**

- 9 (2) If the Federal Court is satisfied that the person has contravened the
10 civil penalty provision, the Court must make a declaration of
11 contravention.
- 12 Note: Once a declaration is made, the Authority can seek a pecuniary
13 penalty order (see section 61AIC).
- 14 (3) The declaration of contravention must specify the following:
15 (a) that the Federal Court made the declaration;

26 **61AIC Pecuniary penalty for contravening civil penalty provision**

27 *Application for order*

- 28 (1) No later than 6 years after a contravention of a civil penalty
29 provision by a person, the Authority may, on behalf of the
30 Commonwealth, apply to the Federal Court for an order that the

1 person pay the Commonwealth a pecuniary penalty for the
2 contravention.

3 *Court may order person to pay pecuniary penalty*

4 (2) If the Federal Court has made a declaration of contravention
5 against the person under section 61AIA, the Court may order the
6 person to pay to the Commonwealth for the contravention the
7 pecuniary penalty that the Court determines is appropriate (but not

9 *Determining amount of pecuniary penalty*

10 (3) In determining the pecuniary penalty, the Federal Court must have
11 regard to all relevant matters, including:

13 (b) the nature and extent of any loss or damage suffered as a
14 result of the contravention; and

20 (e) the circumstances in which the contravention took place; and
21 (f) whether the person has previously been found by a court in
22 proceedings under this Act or under any other law of the
23 Commonwealth or a State or Territory to have engaged in

25 (g) any benefit (whether or not financial) obtained by the person
26 directly or indirectly as a result of the contravention.

27 *Conduct contravening more than one civil penalty provision*

28 (4) If conduct constitutes a contravention of 2 or more civil penalty
29 provisions, proceedings may be instituted under this Act against a
30 person in relation to the contravention of any one or more of those
31 provisions. However, the person is not liable to more than one
32 pecuniary penalty under this section in respect of the same
33 conduct.

1 **61AID Definition of *civil penalty provision***

2 For the purposes of this Act, a subsection of this Act (or a section
3 of this Act that is not divided into subsections) is a *civil penalty*
4 *provision* if:

- 5 (a) the words “civil penalty” and one or more amounts in penalty
6 units are set out at the foot of the subsection (or section)
7 (whether or not any other amount is set out); or

32 judgment of the Court.

1 **61AIH Civil evidence and procedure rules for declarations of**
2 **contravention and civil penalty orders**

3 The Federal Court must apply the rules of evidence and procedure
4 for civil matters when hearing proceedings for:

7 **61AII Civil proceedings after criminal proceedings**

8 The Federal Court must not make a declaration of contravention or
9 a pecuniary penalty order against a person for a contravention of a
10 civil penalty provision if the person has been convicted of an
11 offence constituted by conduct that is substantially the same as the
12 conduct constituting the contravention.

13 **61AIJ Criminal proceedings during civil proceedings**

- 14 (1) Proceedings for a declaration of contravention or a pecuniary
15 penalty order against a person for a contravention of a civil penalty
16 provision are stayed if:

- 17 (a) criminal proceedings are started or have already been started
18 against the person for an offence; and
19 (b) the offence is constituted by conduct that is substantially the
20 same as the conduct alleged to constitute the contravention.

- 21 (2) The proceedings for the declaration or order may be resumed if the
22 person is not convicted of the offence. Otherwise, the proceedings
23 for the order are dismissed.

24 **61AIK Criminal proceedings after civil proceedings**

25 Criminal proceedings may be started against a person for conduct
26 that is substantially the same as conduct constituting a
27 contravention of a civil penalty provision regardless of whether:

- 28 (a) a declaration of contravention has been made against the
29 person; or
30 (b) a pecuniary penalty order has been made against the person.

1 **61AIL Evidence given in proceedings for penalty not admissible in**

8 against the individual for a contravention of a civil penalty
9 provision (whether or not the order was made); and
10 (b) the conduct alleged to constitute the offence is substantially
11 the same as the conduct that was claimed to constitute the

27 provision of this Act; and
28 (c) the permission would have been a chargeable permission.
- 29 (2) In addition to any fine or sentence of imprisonment imposed on the
30 person for the offence or contravention, the court may, on
31 application by the Authority, order the person to pay to the
32 Authority, on behalf of the Commonwealth, a penalty of an amount
33 determined by the court under subsection (3).
- 34 (3) In determining the penalty, the court must have regard to the
35 amount of charge that would have been payable if the person had

3 constituting the offence or contravention (whether or not the
4 person was convicted, or ordered to pay a pecuniary penalty, in
5 respect of each particular instance of the conduct).

- 6 (4) To avoid doubt, the total of the penalties that may be payable by a
7 person in relation to an offence or contravention of a civil penalty
