- 1 (b) reporting requirements (see subsection (6));
- 2 (c) clearing requirements (see subsection (7));
- 3 (d) requirements that are incidental or related to execution
- 4 requirements, reporting requirements or clearing

9 requirements.

10 *Other matters that may be dealt with in derivative transaction rules*

- 11 (3) The derivative transaction rules may also (subject to this Division)
- 12 deal with matters incidental or related to requirements referred to
- 13 in subsection (2), including any of the following:
 - 14 (a) specifying the classes of derivative transactions in relation to
 - 15 which particular requirements apply;

Schedule 1 Amendments

Part 1 Amendment of the Corporations Act 2001

- 1 (f) the manner and form in which persons must comply with
2 requirements imposed by the rules;
- 3 (g) the circumstances in which persons are, or may be, relieved
4 from complying with requirements in the rules that would
5 otherwise apply to them;
- 6 (h) the keeping of records, or the provision of records or other
7 information, relating to compliance with (or determining
8 whether there has been compliance with) the rules;
- 9 (i) any other matters that the provisions of this Act provide may
10 be dealt with in the derivative transaction rules.

- 11 Note: Paragraph (e): subject to section 901D, the persons who are required
12 to comply with requirements imposed by the rules may (for example)

15 intermediaries or agents who facilitate or are otherwise involved
16 in derivative transactions; or
- 17 (b) operators of financial markets on which derivative transactions

22 *Penalty amounts*

- 23 (4) The derivative transaction rules may specify a penalty amount for a
24 rule. A penalty amount must not exceed 1,000 penalty units.

25 *Meaning of execution requirements*

- 26 (5) For the purpose of this Chapter, *execution requirements* are
27 requirements for derivative transactions not to be entered into
28 otherwise than on:
- 29 (a) a licensed market, the licence for which authorises a class of
30 financial products that includes the derivatives to which the
31 transactions relate to be dealt with on the market; or
- 32 (b) a facility that is (or that is in a class of facilities that is)
33 prescribed by the regulations for the purpose of this
34 paragraph in relation to a class of derivatives that includes
35 the derivatives to which the transactions relate.

1 *Meaning of reporting requirements*

- 2 (6) For the purpose of this Chapter, *reporting requirements* are
3 requirements for information about derivative transactions, or
4 about positions relating to derivative transactions, to be reported to:
- 5 (a) a licensed derivative trade repository, the licence for which
6 authorises the repository to provide services in respect of a
7 class of derivatives that includes the derivatives to which the
8 transactions relate; or
 - 9 (b) a facility that is (or that is in a class of facilities that is)
10 prescribed by the regulations for the purpose of this
11 paragraph in relation to a class of derivatives that includes
12 the derivatives to which the transactions relate.

13 *Meaning of clearing requirements*

- 14 (7) For the purpose of this Chapter, *clearing requirements* are
15 requirements for derivative transactions to be cleared through:
- 16 (a) a licensed CS facility, the licence for which authorises the
17 facility to provide services in respect of a class of financial
18 products that includes the derivatives to which the
19 transactions relate; or
 - 20 (b) a facility that is (or that is in a class of facilities that is)
21 prescribed by the regulations for the purpose of this
22 paragraph in relation to a class of derivatives that includes
23 the derivatives to which the transactions relate.

24 *Rules cannot generally impose requirements retrospectively*

- 25 (8) The derivative transaction rules:
- 26 (a) cannot impose an execution requirement on a person in
27 relation to a derivative transaction entered into before the
28 requirement started to apply to the person; and
 - 29 (b) cannot impose a reporting requirement on a person in relation
30 to a derivative transaction entered into before the requirement
31 started to apply to the person, or in relation to a position as it
32 was at a time before the requirement started to apply to the
33 person; and
 - 34 (c) cannot impose a clearing requirement on a person in relation
35 to a derivative transaction entered into before the requirement
36 started to apply to the person, unless the transaction has not

1 been cleared by the time the requirement starts to apply to the
2 person.

3 **901B Derivatives in relation to which rules may impose**
4 **requirements**

5 *Requirements can only be imposed in relation to derivatives*
6 *covered by a determination under this section*

7 (1) The derivative transaction rules cannot impose execution
8 requirements, reporting requirements, or clearing requirements, in
9 relation to derivative transactions unless the derivatives to which
10 the transactions relate are covered by a determination under this
11 section that relates to requirements of that kind.

12 *Minister may determine classes of derivatives in relation to which*
13 *requirements may be imposed*

14 (2) The Minister may, by legislative instrument, determine one or
15 more classes of derivatives in relation to which execution
16 requirements, reporting requirements, or clearing requirements,
17 may be imposed.

18 Note 1: Different determinations may be made in relation to the different
19 kinds of requirements.

20 Note 2: A class of derivatives can be described by reference to any matter,
21 including (for example):

- 22 (a) the kind of asset, rate, index or commodity to which the
23 derivatives relate; or
24 (b) the time when the derivatives were issued, or their date of
25 maturity.

26 *Making determinations: matters to which the Minister has regard*

27 (3) In considering whether to make a determination under
28 subsection (2) that would have the effect of allowing the derivative
29 transaction rules to impose requirements of a particular kind in
30 relation to certain derivatives, the Minister:

31 (a) must have regard to:

- 32 (i) the likely effect on the Australian economy, and on the
33 efficiency, integrity and stability of the Australian
34 financial system, of allowing the derivative transaction

- 1 rules to impose requirements of that kind in relation to
2 those derivatives; and
3 (ii) the likely regulatory impact of allowing the derivative
4 transaction rules to impose requirements of that kind in
5 relation to those derivatives; and
6 (b) may have regard to any other matters that the Minister
7 considers relevant.

8 Note: Matters that the Minister may have regard to under paragraph (b) may,
9 for example, include:

- 10 (a) any relevant international standards and international
11 commitments; and
12 (b) matters raised in consultations under subsection (4), or in advice
13 under subsection (6).

14 *Making determinations: obligation to consult*

- 15 (4) The Minister must not make a determination under subsection (2)
16 unless the Minister has consulted ASIC, APRA and the Reserve
17 Bank of Australia about the proposed determination.
18 (5) A failure to consult as required by subsection (4) does not
19 invalidate a determination.

20 *ASIC, APRA or Reserve Bank may advise Minister*

- 21 (6) ASIC, APRA or the Reserve Bank of Australia may (on its own
22 initiative or at the request of the Minister):
23 (a) consider whether a determination should be made under
24 subsection (2) that would have the effect of allowing the
25 derivative transaction rules to impose requirements of a
26 particular kind in relation to certain derivatives; and
27 (b) advise the Minister accordingly.

28 *Amendment and revocation of determinations*

- 29 (7) The Minister may amend or revoke a determination under
30 subsection (2) in like manner and subject to like conditions (see
31 subsections 33(3) and (3AA) of the *Acts Interpretation Act 1901*).

32 **901C Regulations may limit the transactions in relation to which**
33 **rules may impose requirements**

34 The regulations may provide that the derivative transaction rules:

- 1 (a) cannot impose requirements (or certain kinds of
2 requirements) in relation to certain classes of derivative
3 transactions; or
4 (b) can only impose requirements (or certain kinds of
5 requirements) in relation to certain classes of derivative
6 transactions in certain circumstances.

7 Note: A class of derivative transactions can be described by reference to any
8 matter, including (for example):

- 9 (a) the derivatives to which transactions relate; or
10 (b) the circumstances in which transactions were entered into; or
11 (c) the time when, or place where, transactions were entered into; or
12 (d) the parties to transactions.

13 **901D Regulations may limit the persons on whom requirements may**
14 **be imposed**

15 The regulations may provide that the derivative transaction rules:

- 16 (a) cannot impose requirements (or certain kinds of
17 requirements) on certain classes of persons; or
18 (b) can only impose requirements (or certain kinds of
19 requirements) on certain classes of persons in certain
20 circumstances.

21 Note: A class of persons may be described by reference to any matter,
22 including (for example):

- 23 (a) the volume of derivative transactions entered into by persons
24 over a period; or
25 (b) the characteristics or nature of persons or of their businesses; or
26 (c) the place of residence or business of persons.

27 **Subdivision B—Compliance with derivative transaction rules**

28 **901E Obligation to comply with derivative transaction rules**

- 29 (1) A person must comply with provisions of the derivative transaction
30 rules that apply to the person.

31 Note: This section is a civil penalty provision (see section 1317E). For relief
32 from liability to a civil penalty relating to this section, see
33 section 1317S.

- 34 (2) If there is an inconsistency between the derivative transaction rules
35 and the derivative trade repository rules, the derivative transaction
36 rules prevail to the extent of the inconsistency.

1 **Subdivision C—The process of making of derivative**
2 **transaction rules**

3 **901H Matters to which ASIC must have regard when making rules**

4 In considering whether to make a derivative transaction rule,
5 ASIC:

- 6 (a) must have regard to:
7 (i) the likely effect of the proposed rule on the Australian
8 economy, and on the efficiency, integrity and stability
9 of the Australian financial system; and
10 (ii) the likely regulatory impact of the proposed rule; and
11 (b) may have regard to any other matters that ASIC considers
12 relevant.

13 Note: Matters that ASIC may have regard to under paragraph (b) may, for
14 example, include:

- 15 (a) any relevant international standards and international
16 commitments; and
17 (b) matters raised in consultations (if any) under section 901J.

18 **901J ASIC to consult before making rules**

- 19 (1) ASIC must not make a derivative transaction rule unless ASIC:
20 (a) has consulted the public about the proposed rule; and
21 (b) has also consulted the following about the proposed rule:
22 (i) APRA;
23 (ii) the Reserve Bank of Australia;
24 (iii) any other person or body as required by regulations
25 made for the purpose of this subparagraph.

26 Note: In some situations, consultation is not required: see section 901L.

- 27 (2) Without limiting the ways in which ASIC may comply with the
28 obligation in paragraph (1)(a) to consult the public about a
29 proposed rule, ASIC is taken to comply with that obligation if
30 ASIC, on its website:
31 (a) makes the proposed rule, or a description of the content of
32 the proposed rule, available; and
33 (b) invites the public to comment on the proposed rule.

- 1 (3) A failure to consult as required by subsection (1) does not
2 invalidate a derivative transaction rule.

3 **901K Ministerial consent to rules required**

- 4 (1) ASIC must not make a derivative transaction rule unless the
5 Minister has consented, in writing, to the making of the rule.

6 Note: In some situations, consent is not required: see section 901L.

- 7 (2) A consent under subsection (1) is not a legislative instrument.

8 **901L Emergency rules: consultation and consent not required**

- 9 (1) ASIC may make a derivative transaction rule without consulting as
10 required by section 901J, and without the consent of the Minister
11 as required by section 901K, if ASIC is of the opinion that it is
12 necessary, or in the public interest, to do so in order to protect:

- 13 (a) the Australian economy; or
14 (b) the efficiency, integrity and stability of the Australian
15 financial system.

- 16 (2) However, if ASIC does so, ASIC must:

- 17 (a) provide the Minister, on the following day, with a written
18 explanation of the need for the rule; and
19 (b) amend or revoke the rule in accordance with any written
20 directions of the Minister.

- 21 (3) A direction under paragraph (2)(b) is not a legislative instrument.

22 **901M Amendment and revocation of derivative transaction rules**

- 23 (1) ASIC may amend or revoke a derivative transaction rule in like
24 manner and subject to like conditions (see subsections 33(3) and
25 (3AA) of the *Acts Interpretation Act 1901*).

- 26 (2) However, the requirements of sections 901H, 901J and 901K do
27 not apply in relation to an amendment or revocation pursuant to a
28 direction by the Minister under paragraph 901L(2)(b).

1 **Division 3—Regulation of licensed derivative trade**
2 **repositories: supervision by ASIC**

3 **902A ASIC to supervise licensed derivative trade repositories**

- 4 (1) ASIC has the function of supervising licensed derivative trade
5 repositories.
- 6 (2) If a licensed derivative trade repository is wholly or partly operated
7 in a foreign country, ASIC may, to such extent as ASIC considers
8 appropriate, perform the function of supervising the repository by
9 satisfying itself:
- 10 (a) that the regulatory regime that applies in relation to the
11 repository in that country provides for adequate supervision
12 of the repository; or
- 13 (b) that adequate cooperative arrangements are in place with an
14 appropriate authority of that country to ensure that the
15 repository will be adequately supervised by that authority.

16 **Division 4—Regulation of licensed derivative trade**
17 **repositories: derivative trade repository rules**

18 **Subdivision A—Power to make derivative trade repository**
19 **rules**

20 **903A ASIC may make derivative trade repository rules**

21 *Power to make derivative trade repository rules*

- 22 (1) Subject to this Division, ASIC may, by legislative instrument,
23 make rules (*derivative trade repository rules*) dealing with matters
24 as permitted by this section.

25 Note: Subdivision C deals with the process of making derivative trade
26 repository rules.

27 *Main matters that may be dealt with in derivative trade repository*
28 *rules*

- 29 (2) The derivative trade repository rules may (subject to this Division)
30 deal with all or any of the following matters (including by

1 imposing requirements for or relating to any of the following
2 matters):

- 3 (a) the manner in which licensed derivative trade repositories
4 provide their services;
- 5 (b) the handling or use of derivative trade data by licensed
6 derivative trade repositories and their officers and employees,
7 including the following:
- 8 (i) the acceptance and retention of derivative trade data;
- 9 (ii) the creation of statistical data from derivative trade data;
- 10 (iii) the use and disclosure of, and provision of access to,
11 derivative trade data (including statistical data referred
12 to in subparagraph (ii));
- 13 (c) the governance, management and resources (including
14 financial, technological and human resources) of licensed
15 derivative trade repositories, including the following:
- 16 (i) the handling of conflicts of interest;
- 17 (ii) the monitoring and enforcement of compliance with
18 obligations;
- 19 (iii) the resources that licensed derivative trade repositories
20 should have (including requirements relating to the
21 experience, qualifications or fitness for office of
22 operators and their officers and employees);
- 23 (iv) the integrity and security of computer systems and other
24 systems;
- 25 (v) operational reliability;
- 26 (vi) business continuity planning;
- 27 (vii) the operational separation of functions;
- 28 (viii) the outsourcing of functions to other entities;
- 29 (d) the disclosure of conditions (including fees) on which
30 licensed derivative trade repositories provide their services;
- 31 (e) the reporting to ASIC or other regulators of matters related to
32 licensed derivative trade repositories.

33 Note: Paragraph (a): the rules may (for example) require licensed derivative
34 trade repositories to provide open and non-discriminatory access to
35 their services.

1 *Other matters that may be dealt with in derivative trade repository*
2 *rules*

- 3 (3) The derivative trade repository rules may also (subject to this
4 Division) deal with matters incidental or related to matters referred
5 to in subsection (2), including any of the following:
- 6 (a) specifying the persons (being persons referred to in
7 section 903B) who are required to comply with requirements
8 imposed by the rules;
 - 9 (b) the manner and form in which persons must comply with
10 requirements imposed by the rules;
 - 11 (c) the circumstances in which persons are, or may be, relieved
12 from complying with requirements in the rules that would
13 otherwise apply to them;
 - 14 (d) the keeping of records, or the provision of records or other
15 information, relating to compliance with (or determining
16 whether there has been compliance with) the rules;
 - 17 (e) any other matters that the provisions of this Act provide may
18 be dealt with in the derivative trade repository rules.

19 *Penalty amounts*

- 20 (4) The derivative trade repository rules may specify a penalty amount
21 for a rule. A penalty amount must not exceed 1,000 penalty units.

22 *Rules may provide that derivative trade data is taken to be given to*
23 *ASIC in confidence*

- 24 (5) The derivative trade repository rules may provide, either generally
25 or in circumstances specified in the rules, that information given to
26 ASIC, by the operator (or an officer of the operator) of a licensed
27 derivative trade repository, under a provision of:
- 28 (a) this Part; or
 - 29 (b) regulations made for the purpose of this Part; or
 - 30 (c) the derivative transaction rules or the derivative trade
31 repository rules;
- 32 is to be taken, for the purpose of section 127 (confidentiality) of
33 the ASIC Act, to be given to ASIC in confidence in connection
34 with the performance of ASIC's functions under this Act.

1 (6) Derivative trade repository rules that provide as mentioned in
2 subsection (5) have effect accordingly for the purpose of
3 section 127 of the ASIC Act.

4 Note: Subsections (5) and (6) do not limit the circumstances in which
5 information given to ASIC by a licensed derivative trade repository
6 may, for the purpose of section 127 of the ASIC Act, be regarded as
7 having been given to ASIC in confidence in connection with the
8 performance of ASIC's functions under this Act.

9 **903B Rules may only impose requirements on operators and officers**
10 **of licensed derivative trade repositories**

11 The only persons on whom the derivative trade repository rules
12 may impose requirements are:

- 13 (a) operators of licensed derivative trade repositories; and
14 (b) officers of licensed derivative trade repositories.

15 Note: Requirements may also be imposed on these persons by the derivative
16 transaction rules.

17 **903C Regulations may limit how rules may deal with matters related**
18 **to derivative trade data**

19 The regulations may prescribe limits on the extent to which, or the
20 way in which, the derivative trade repository rules may deal with
21 matters referred to in paragraph 903A(2)(b).

22 **Subdivision B—Compliance with derivative trade repository**
23 **rules**

24 **903D Obligation to comply with derivative trade repository rules**

25 A person must comply with provisions of the derivative trade
26 repository rules that apply to the person.

27 Note 1: This section is a civil penalty provision (see section 1317E). For relief
28 from liability to a civil penalty relating to this section, see
29 section 1317S.

30 Note 2: The only persons on whom derivative trade repository rules may
31 impose requirements are operators of licensed derivative trade
32 repositories, and officers of such operators (see section 903B).

33 Note 3: If there is an inconsistency between the market integrity rules and the
34 derivative trade repository rules, the market integrity rules prevail: see
35 subsection 798H(3).

- 1 (i) the likely effect of the proposed rule on the Australian
2 economy, and on the efficiency, integrity and stability
3 of the Australian financial system; and
4 (ii) the likely regulatory impact of the proposed rule; and
5 (b) may have regard to any other matters that ASIC considers
6 relevant.

- 7 Note: Matters that ASIC may have regard to under paragraph (b) may, for
8 example, include:
9 (a) any relevant international standards and international
10 commitments; and
11 (b) matters raised in consultations (if any) under section 903G.

12 **903G ASIC to consult before making rules**

- 13 (1) ASIC must not make a derivative trade repository rule unless
14 ASIC:
15 (a) has consulted the public about the proposed rule; and
16 (b) has also consulted any other person or body as required by
17 regulations made for the purpose of this paragraph.

18 Note: In some situations, consultation is not required: see section 903J.

- 19 (2) Without limiting the ways in which ASIC may comply with the
20 obligation in paragraph (1)(a) to consult the public about a
21 proposed rule, ASIC is taken to comply with that obligation if
22 ASIC, on its website:
23 (a) makes the proposed rule, or a description of the content of
24 the proposed rule, available; and
25 (b) invites the public to comment on the proposed rule.
- 26 (3) A failure to consult as required by subsection (1) does not
27 invalidate a derivative trade repository rule.

28 **903H Ministerial consent to rules required**

- 29 (1) ASIC must not make a derivative trade repository rule unless the
30 Minister has consented, in writing, to the making of the rule.

31 Note: In some situations, consent is not required: see section 903J.

- 32 (2) A consent under subsection (1) is not a legislative instrument.

1 **903J Emergency rules: consultation and consent not required**

2 (1) ASIC may make a derivative trade repository rule without
3 consulting as required by section 903G, and without the consent of
4 the Minister as required by section 903H, if ASIC is of the opinion
5 that it is necessary, or in the public interest, to do so in order to
6 protect:

- 7 (a) the Australian economy; or
8 (b) the efficiency, integrity and stability of the Australian
9 financial system; or
10 (c) the security or confidentiality of derivative trade data.

11 (2) However, if ASIC does so, ASIC must:

- 12 (a) provide the Minister, on the following day, with a written
13 explanation of the need for the rule; and
14 (b) amend or revoke the rule in accordance with any written
15 directions of the Minister.

16 (3) A direction under paragraph (2)(b) is not a legislative instrument.

17 **903K Amendment and revocation of derivative trade repository**
18 **rules**

19 (1) ASIC may amend or revoke a derivative trade repository rule in
20 like manner and subject to like conditions (see subsections 33(3)
21 and (3AA) of the *Acts Interpretation Act 1901*).

22 (2) However, the requirements of sections 903F, 903G and 903H do
23 not apply in relation to an amendment or revocation pursuant to a
24 direction by the Minister under paragraph 903J(2)(b).

25 **Division 5—Regulation of licensed derivative trade**
26 **repositories: other obligations and powers**

27 **Subdivision A—Obligations**

28 **904A General obligations**

29 A derivative trade repository licensee must:

- 30 (a) comply with the conditions on the licence; and

- 1 (b) if the licensee is a foreign body corporate—be registered
2 under Division 2 of Part 5B.2; and
3 (c) take all reasonable steps to ensure that no disqualified
4 individual becomes, or remains, involved in the operator (see
5 Division 2 of Part 7.4).

6 Note: Derivative trade repository licensees must also comply with other
7 provisions of this Part that apply to them.

8 **904B Obligations relating to derivative trade data**

9 *Obligation relating to use or disclosure of derivative trade data*

10 (1) A derivative trade repository licensee, or an officer or employee of
11 a derivative trade repository licensee, may use or disclose
12 derivative trade data only if:

- 13 (a) the use or disclosure:
- 14 (i) is for the purpose of, or occurs in the course of, the
15 provision of the repository's services, or the
16 performance of the duties of the officer or employee as
17 an officer or employee of the licensee; and
 - 18 (ii) is not excluded by regulations made for the purpose of
19 this subparagraph; or
- 20 (b) the use or disclosure is required or permitted by any of the
21 following:
- 22 (i) another provision of this Act;
 - 23 (ii) the derivative transaction rules or the derivative trade
24 repository rules;
 - 25 (iii) another law of the Commonwealth, or a law of a State
26 or Territory.

27 Note: Failure to comply with this subsection is an offence (see subsection
28 1311(1)).

29 *Obligation to comply with requests from regulators for derivative 30 trade data*

31 (2) Any of the following persons or bodies may request a derivative
32 trade repository licensee to provide the person or body with
33 derivative trade data that is retained in the derivative trade
34 repository:

- 35 (a) ASIC;

- 1 (b) APRA;
2 (c) the Reserve Bank of Australia;
3 (d) a person or body prescribed by the regulations for the
4 purpose of this paragraph;
5 (e) another derivative trade repository licensee.
- 6 (3) Regulations must not be made prescribing a person or body for the
7 purpose of paragraph (2)(d) unless the Minister is satisfied that
8 there are adequate controls on the use or disclosure of any
9 derivative trade data provided to the person or body pursuant to
10 requests under subsection (2).
- 11 (4) The regulations may require that certain information must not be
12 included in derivative trade data provided pursuant to requests, or a
13 class of requests, under subsection (2).
- 14 (5) If:
15 (a) a derivative trade repository licensee receives a request for
16 derivative trade data under subsection (2); and
17 (b) the licensee is not excused or prohibited from complying
18 with the request by:
19 (i) regulations made for the purpose of this subparagraph;
20 or
21 (ii) the derivative trade repository rules or the derivative
22 transaction rules;
23 the licensee must comply with the request, subject to any
24 requirements of regulations made for the purpose of subsection (4).
- 25 Note: Failure to comply with this subsection is an offence (see subsection
26 1311(1)).

27 *Obligations relating to the creation of statistical data*

- 28 (6) The regulations may:
29 (a) impose obligations on operators of licensed derivative trade
30 repositories to:
31 (i) create statistical information from derivative trade data;
32 and
33 (ii) to provide that statistical information to a person or
34 persons, or to make it available, in accordance with the
35 regulations; and
36 (b) provide for offences in relation to those obligations.
-

1 Note: For the limit on penalties for offences against the regulations, see
2 paragraph 1364(2)(w).

3 **904C Obligation to notify ASIC of certain matters**

4 *Notification of inability to meet obligations under 904A*

5 (1) A derivative trade repository licensee must give written notice to
6 ASIC, as soon as practicable, if the licensee becomes aware that it
7 may no longer be able to meet, or has breached, an obligation
8 under section 904A.

9 Note: Failure to comply with this subsection is an offence (see subsection
10 1311(1)).

11 (2) If ASIC receives a notice under subsection (1), ASIC may give the
12 Minister advice about the matter to which the notice relates.

13 *Notification of changes to directors, secretaries or senior*
14 *managers*

15 (3) As soon as practicable after a person becomes or ceases to be a
16 director, secretary or senior manager of a derivative trade
17 repository licensee or of a holding company of a derivative trade
18 repository licensee (including when a person changes from one of
19 those positions to another), the licensee must give written notice of
20 this to ASIC. The notice must include such other information about
21 the matter as is prescribed by the regulations for the purpose of this
22 subsection.

23 Note 1: To the extent that the licensee is required to give the notice and
24 information under any other provision of this Act, the licensee may
25 comply with this subsection by doing so. It need not provide the same
26 information twice.

27 Note 2: Failure to comply with this subsection is an offence (see subsection
28 1311(1)).

29 **904D Obligation to assist ASIC, APRA and the Reserve Bank**

30 (1) Each of the following is a regulator to which this section applies:
31 (a) ASIC;
32 (b) APRA;
33 (c) the Reserve Bank of Australia.

1 (2) A derivative trade repository licensee must give such assistance to
2 a regulator to which this section applies as the regulator reasonably
3 requests in relation to the performance of the regulator's functions.

4 Note: Failure to comply with this subsection is an offence (see subsection
5 1311(1)).

6 (3) Such assistance may include showing the regulator the licensee's
7 books or giving the regulator derivative trade data or other
8 information.

9 **904E Obligation to give ASIC access to derivative trade repository**
10 **facilities**

11 A derivative trade repository licensee must give ASIC such
12 reasonable access to the repository's facilities as ASIC requests for
13 any of the purposes of this Part.

14 Note: Failure to comply with this section is an offence (see subsection
15 1311(1)).

16 **Subdivision B—Powers of Minister and ASIC to give directions**
17 **etc.**

18 **904F Minister's power to give directions to licensee not complying**
19 **with obligations**

20 (1) If the Minister considers that a derivative trade repository licensee
21 is not complying with its obligations as a derivative trade
22 repository licensee under this Part, the Minister may give the
23 licensee a written direction to do specified things that the Minister
24 believes will promote compliance by the licensee with those
25 obligations.

26 (2) The licensee must comply with the direction.

27 (3) If the licensee fails to comply with the direction, ASIC may apply
28 to the Court for, and the Court may make, an order that the licensee
29 comply with the direction.

30 (4) The Minister may vary or revoke a direction at any time by giving
31 written notice to the licensee.

1 **904G ASIC’s power to give directions to licensee not complying with**
2 **obligations**

3 (1) If ASIC considers that a derivative trade repository licensee is not
4 complying with its obligations as a derivative trade repository
5 licensee under this Part, ASIC may give the licensee written advice
6 that it intends to give the licensee a specified direction to do
7 specified things that ASIC believes will promote compliance by
8 the licensee with those obligations. The advice must include the
9 reasons for ASIC’s intention to give the direction.

10 (2) As soon as practicable after giving the advice to the licensee, ASIC
11 must give notice of the advice to the operator of each financial
12 market, and of each clearing and settlement facility, with which the
13 licensed derivative trade repository has arrangements to provide
14 services relating to derivative trade data.

15 (3) If:

16 (a) after receiving ASIC’s advice and reasons, the licensee does
17 not take steps that in ASIC’s view are adequate to address the
18 situation; and

19 (b) ASIC still considers that it is appropriate to give the direction
20 to the licensee;

21 ASIC may give the licensee the direction, in writing, with a
22 statement setting out the reasons for giving the direction.

23 (4) The direction has effect until the earlier of the following times:

24 (a) the time ASIC revokes the direction under subsection (9);

25 (b) the end of the period (which may be up to 21 days) specified
26 in the direction as the period during which the direction is
27 effective.

28 (5) While the direction has effect, the licensee must comply with the
29 direction.

30 Note: Failure to comply with this subsection is an offence (see subsection
31 1311(1)).

32 (6) If the licensee fails to comply with the direction, ASIC may apply
33 to the Court for, and the Court may make, an order that the licensee
34 comply with the direction.

1 (7) As soon as practicable after making or varying (see subsection (8))
2 the direction, ASIC must give a copy of the direction or variation
3 to each of the operators referred to in subsection (2).

4 (8) ASIC may vary the direction by giving written notice to the
5 licensee.

6 (9) ASIC may revoke the direction by giving written notice to the
7 licensee. ASIC must also give written notice of the revocation to
8 each of the operators mentioned in subsection (2).

9 **904H ASIC's power to give directions requiring special reports**

10 (1) ASIC may give a derivative trade repository licensee a written
11 direction requiring the licensee to give ASIC a special report on
12 specified matters. ASIC may give a copy of the report to the
13 Minister.

14 (2) The direction may also require the licensee to give ASIC an audit
15 report on the special report. ASIC must nominate a specified
16 person or body that is suitably qualified to prepare the audit report.

17 (3) The licensee must give the special report, and audit report (if
18 required), to ASIC within the time required by the direction.

19 Note: Failure to comply with this subsection is an offence (see subsection
20 1311(1)).

21 **904J ASIC may assess licensee's compliance**

22 (1) ASIC may do an assessment of how well a derivative trade
23 repository licensee is complying with any or all of its obligations
24 as a derivative trade repository licensee under this Part. In doing
25 the assessment, ASIC may take account of any information and
26 reports that it thinks appropriate.

27 (2) As soon as practicable after doing an assessment under this section,
28 ASIC must give a written report on the assessment to the licensee.
29 ASIC may give a copy of the report to the Minister.

30 (3) If an assessment, or part of an assessment, relates to any other
31 person's affairs to a material extent, ASIC may, at the person's
32 request or on its own initiative, give the person a copy of the report
33 on the assessment or the relevant part of the report.

- 1 (4) If an assessment, or part of an assessment, relates to a serious
2 contravention of a law of the Commonwealth or of a State or
3 Territory, ASIC may give a copy of the report on the assessment,
4 or the relevant part of the report, to:
- 5 (a) the Australian Federal Police; or
 - 6 (b) the Chief Executive Officer of the Australian Crime
7 Commission or a member of the staff of the ACC (within the
8 meaning of the *Australian Crime Commission Act 2002*); or
 - 9 (c) the Director of Public Prosecutions; or
 - 10 (d) a person or body prescribed by the regulations for the
11 purpose of this paragraph.
- 12 (5) The written report on an assessment, or part of the report, may be
13 published in any way that ASIC thinks appropriate.
- 14 (6) A report on an assessment is not a legislative instrument.

15 **904K Directions relating to derivative trade data if repository ceases**
16 **to be licensed**

- 17 (1) This section applies to derivative trade data that was being retained
18 in a derivative trade repository before the repository ceased to be a
19 licensed derivative trade repository.
- 20 (2) ASIC may give a written direction to a person referred to in
21 subsection (3):
- 22 (a) requiring the person to deal, in a specified way, with
23 derivative trade data to which this section applies; or
 - 24 (b) imposing limitations on the use or disclosure by the person of
25 derivative trade data to which this section applies.
- 26 Note: A direction could, for example, require the person:
- 27 (a) to destroy all records of the data over which the person has
28 control; or
 - 29 (b) to transfer all records of the data over which the person has
30 control to a licensed derivative trade repository or a prescribed
31 derivative trade repository.
- 32 (3) The direction may be given to:
- 33 (a) the operator, or former operator, of the repository; or
 - 34 (b) an officer or employee, or a former officer or employee, of
35 the operator, or former operator, of the repository.

1 (4) While the direction has effect, the person to whom the direction is
2 given must comply with the direction.

3 Note: Failure to comply with this subsection is an offence (see subsection
4 1311(1)).

5 (5) If the person to whom the direction is given fails to comply with
6 the direction, ASIC may apply to the Court for, and the Court may
7 make, an order that the person comply with the direction.

8 (6) The direction has effect until it is revoked under subsection (7).

9 (7) ASIC may vary or revoke the direction by giving written notice to
10 the person to whom the direction was given.

11 **Division 6—Regulation of licensed derivative trade**
12 **repositories: licensing**

13 **Subdivision A—Requirement for some trade repositories to be**
14 **licensed**

15 **905A Regulations may identify derivative trade repositories as being**
16 **required to be licensed**

17 (1) The regulations may identify one or more classes of derivative
18 trade repositories as being required to be licensed under this Part.

19 Note: Subject to this Part, derivative trade repositories may be licensed
20 under this Part even if they are not required to be licensed.

21 (2) If the regulations identify a class of derivative trade repositories as
22 being required to be licensed under this Part, a person must not
23 operate, or hold out that the person operates, a repository in the
24 class if the person does not have an Australian derivative trade
25 repository licence that authorises the person to operate the
26 repository.

27 Note 1: Failure to comply with this subsection is an offence: see subsection
28 1311(1).

29 Note 2: For other offences dealing with holding out, see section 907A.

1 **Subdivision B—Granting of licences**

2 **905B How to apply for a licence**

3 A body corporate may, by lodging an application with ASIC in the
4 prescribed form, apply for a licence (an *Australian derivative trade*
5 *repository licence*) authorising the body corporate to operate a
6 derivative trade repository.

7 Note 1: See section 350 for how to lodge an application in the prescribed
8 form.

9 Note 2: For fees in respect of lodging applications, see Part 9.10.

10 **905C When a licence may be granted**

11 *General*

- 12 (1) ASIC may grant an applicant an Australian derivative trade
13 repository licence if ASIC is satisfied that:
- 14 (a) the application was made in accordance with section 905B;
 - 15 and
 - 16 (b) the applicant will comply with the obligations that will apply
17 if the licence is granted; and
 - 18 (c) no disqualified individual appears to be involved in the
19 applicant (see Division 2 of Part 7.4).

20 This subsection has effect subject to subsections (2) and (3).

21 Note: ASIC must also have regard to the matters in section 905P in deciding
22 whether to grant a licence.

23 *Foreign bodies*

- 24 (2) If the applicant is a foreign body corporate, ASIC must not grant
25 the applicant a licence unless the applicant is registered under
26 Division 2 of Part 5B.2.

27 *Disqualified individuals*

- 28 (3) ASIC must not grant the applicant a licence unless 42 days have
29 passed since the application was made and ASIC has not given a
30 notice under subsection 853D(2) to the applicant within that 42
31 days.

1 **905D Publication of notice of licence grant**

2 If ASIC grants an Australian derivative trade repository licence,
3 ASIC must publish a notice in the *Gazette* stating:

- 4 (a) the name of the licensee; and
5 (b) when the licence was granted; and
6 (c) the conditions on the licence.

7 **905E More than one derivative trade repository covered by the same**
8 **licence**

- 9 (1) The same Australian derivative trade repository licence may
10 authorise the licensee to operate 2 or more derivative trade
11 repositories.
- 12 (2) In that case, a reference in this Chapter to the derivative trade
13 repository to which an Australian derivative trade repository
14 licence relates is taken instead to be a reference to each of those
15 derivative trade repositories severally.
- 16 (3) Before varying the conditions on an Australian derivative trade
17 repository licence so as to add another derivative trade repository
18 that the licensee is authorised to operate, ASIC must be satisfied of
19 the matters listed in subsection 905C(1) in relation to the
20 repository.
- 21 (4) An Australian derivative trade repository licence that authorises the
22 licensee to operate 2 or more derivative trade repositories may be
23 suspended or cancelled under Subdivision D in respect of one or
24 some of those repositories only, as if the licensee held a separate
25 licence for each of the repositories.

26 **Subdivision C—The conditions on a licence**

27 **905F The conditions on the licence**

- 28 (1) ASIC may, at any time:
29 (a) impose conditions, or additional conditions, on an Australian
30 derivative trade repository licence; or
31 (b) vary or revoke conditions imposed on such a licence;

1 by giving written notice to the licensee. ASIC must also publish a
2 notice in the *Gazette* with details of the action and when it took
3 effect.

4 Note: As well as the requirements in this section, ASIC must also have
5 regard to the matters in section 905P.

6 (2) ASIC may do so:

- 7 (a) on its own initiative, subject to subsection (3); or
8 (b) if the licensee lodges an application with ASIC in the
9 prescribed form, seeking the imposition of the conditions or
10 additional conditions, or seeking the variation or revocation
11 of conditions.

12 Note 1: See section 350 for how to lodge an application in the prescribed
13 form.

14 Note 2: For fees in respect of lodging applications, see Part 9.10.

15 (3) ASIC may only impose conditions or additional conditions, or vary
16 or revoke conditions, on the licence on ASIC's own initiative if:

- 17 (a) ASIC considers it appropriate to do so having regard to:
18 (i) the licensee's obligations as a derivative trade
19 repository licensee under this Part; and
20 (ii) any change in the operations of the derivative trade
21 repository, or in the conditions in which the repository
22 is operating; and
23 (b) ASIC gives the licensee written notice of the proposed action
24 and an opportunity to make a submission before it takes
25 effect.

26 This subsection does not apply to ASIC imposing conditions when
27 a licence is granted.

28 (4) ASIC must ensure that each Australian derivative trade repository
29 licence is subject to conditions that specify:

- 30 (a) the particular derivative trade repository that the licensee is
31 authorised to operate; and
32 (b) the class or classes of derivatives in respect of which the
33 repository can provide services for the purposes of this Part.

34 Note: The licence condition required by paragraph (b) does not apply to
35 services that a licensed derivative trade repository provides otherwise
36 than for the purposes of this Part.

1 **Subdivision D—When a licence can be varied, suspended or**
2 **cancelled**

3 **905G Varying licences**

4 ASIC may vary an Australian derivative trade repository licence to
5 take account of a change in the licensee's name if the licensee
6 lodges an application with ASIC in the prescribed form, seeking
7 the variation.

8 Note 1: The conditions on the licence can be varied under section 905F.

9 Note 2: See section 350 for how to lodge an application in the prescribed
10 form.

11 Note 3: For fees in respect of lodging applications, see Part 9.10.

12 **905H Immediate suspension or cancellation**

13 ASIC may, by giving written notice to a derivative trade repository
14 licensee, suspend the licence for a specified period, or cancel it, if:

- 15 (a) the licensee ceases to carry on the business of operating the
16 derivative trade repository; or
17 (b) the licensee becomes an externally-administered body
18 corporate; or
19 (c) the licensee asks ASIC to do so.

20 **905J Suspension or cancellation following hearing and report**

21 (1) If ASIC considers that a derivative trade repository licensee has
22 breached, or is in breach of, one or more of its obligations as a
23 derivative trade repository licensee under this Part, ASIC may give
24 the licensee a written notice that requires the licensee to show
25 cause, at a hearing before a specified person, why the licence
26 should not be suspended or cancelled.

27 (2) The notice must specify:

- 28 (a) the grounds on which it is proposed to suspend or cancel the
29 licence; and
30 (b) a reasonable time and place at which the hearing is to be
31 held.

32 However, if the licensee consents, the person conducting the
33 hearing may fix a different time or place.

- 1 (3) The person conducting the hearing must:
2 (a) give the licensee an opportunity to be heard at the hearing;
3 and
4 (b) give ASIC:
5 (i) a report about the hearing; and
6 (ii) a recommendation about the grounds in the notice on
7 which it is proposed to suspend or cancel the licence.
- 8 (4) After considering the report and recommendation, ASIC may:
9 (a) decide to take no further action in relation to the matter and
10 give written advice of that decision to the licensee; or
11 (b) suspend the licence for a specified period, or cancel the
12 licence, by giving written notice to the licensee.
- 13 Note: ASIC must also have regard to the matters in section 905P.
- 14 (5) None of the following is a legislative instrument:
15 (a) a notice under subsection (1);
16 (b) a report under subsection (3) (if it is in writing).

17 **905K Effect of suspension**

- 18 (1) A person whose Australian derivative trade repository licence is
19 suspended is taken not to hold that licence while it is suspended.
- 20 (2) However, ASIC may specify in the written notice to the licensee
21 under section 905H, or paragraph 905J(4)(b), that subsection (1) of
22 this section does not apply for specified purposes.

23 **905L Variation or revocation of suspension**

24 ASIC may at any time vary or revoke a suspension of an Australian
25 derivative trade repository licence by giving written notice to the
26 licensee.

27 **905M Publication of notice of licence suspension or cancellation**

- 28 (1) If ASIC:
29 (a) suspends, or varies or revokes a suspension of, an Australian
30 derivative trade repository licence; or
31 (b) cancels an Australian derivative trade repository licence;
32 ASIC must publish a notice in the *Gazette* to that effect.

1 (2) The notice must state when the action took effect.

2 **905N Suspension and cancellation only in accordance with this**
3 **Subdivision**

4 An Australian derivative trade repository licence cannot be varied,
5 suspended or cancelled otherwise than in accordance with this
6 Subdivision.

7 Note: The conditions on the licence can be varied under section 905F.

8 **Subdivision E—Other matters**

11 (a) grant an applicant an Australian derivative trade repository
12 licence under section 905C; or

13 (b) impose, vary or revoke conditions on such a licence under
14 section 905F; or

15 (c) suspend or cancel such a licence under section 905J.

16 (2) The matters ASIC must have regard to are as follows:

17 (a) the structure, or proposed structure, of the derivative trade
18 repository;

20 conducted, by the derivative trade repository;

22 (d) the persons who are, or may be, required to report derivative
23 trade data to the derivative trade repository;

29 considers relevant.

- 16 or under Division 5, in relation to licensed derivative trade
- 17 repositories.
- 18 (3) The regulations may provide, either generally or in circumstances
- 19 specified in the regulations, that information given to ASIC, by the

- 21 trade repository, under a provision of the regulations is to be taken,
- 22 for the purpose of section 127 (confidentiality) of the ASIC Act, to
- 23 be given to ASIC in confidence in connection with the
- 24 performance of ASIC's functions under this Act.
- 25 (4) Regulations that provide as mentioned in subsection (3) have effect
- 26 accordingly for the purpose of section 127 of the ASIC Act.

27 Note: Subsections (3) and (4) do not limit the circumstances in which

28 information given to ASIC by a prescribed derivative trade repository

29 may, for the purpose of section 127 of the ASIC Act, be regarded as

30 having been given to ASIC in confidence in connection with the

31 performance of ASIC's functions under this Act.
