About this list

Requirement to provide list for tabling

This list of legislative instruments has been prepared for laying before each House of Parliament in accordance with section 52 of the *Legislative Instruments Act 2003* (the LIA).

This list sets out the legislative instruments that are due to sunset (that is, to be repealed by section 50, 51 or 51A of the LIA) on 1 April 2016.

Under subsection 52(2) of the LIA, the Attorney-General must arrange for this list to be laid before each House of the Parliament on the first sitting day of the House on or after 1 October 2014.

This list was up-to-date when prepared on 10 September 2014.

Structure of list

To assist the reader, the instruments are grouped by administering department, consistent with the Administrative Arrangements Order dated 12 December 2013.

If a department is not mentioned in the list, the department does not have any legislative instruments due to sunset on 1 April 2016. If 2 or more departments administer a legislative instrument, the instrument is listed under each department and an asterisk (*) included beside the instrument name.

More information about instruments on list

The full text of each listed instrument and information about its current status is available on the whole-of-government ComLaw website (<http://www.comlaw.gov.au>).

Further information about an instrument may be requested from the administering department or its relevant agencies.

Next list

A list of all the instruments that are due to sunset on 1 October 2016 is required to be tabled on the first sitting day on or after 1 April 2015.
